

## Status of Your Distribution Request

Once you submit your distribution request, it routes through a few review and processing steps. For transparency, we provide real-time visibility into these activities directly on the Dashboard page of your online account.

We send all distribution requests for approval – this action is typically completed by your Employer.

Once the distribution is reviewed and approved, we process the payment. You'll generally receive it within 10-14 calendar days from the payment issue date for checks, or 5-7 business days for direct deposit from the approval date (if available).

## Distribution Tracker

The screenshot shows a 'My Dashboard' interface. At the top, there's a 'Print' button. Below it, a 'Distribution Status' section shows a timeline with five stages: 'Received Request' (green circle, completed on 6/4/2019), 'Awaiting Employer Approval' (blue circle, processing), 'Funding Request' (grey circle), 'Preparing Payment' (grey circle), and 'Payment Sent' (grey circle). Below this, there are three cards: 'Track Retirement' (value: \$1,094.09, projected), 'Account Balance' (value: \$5,873.74), and 'Contribution Rate' (Pre-Tax: 4%, Roth: \$0.00).
