

# Expense Tracker

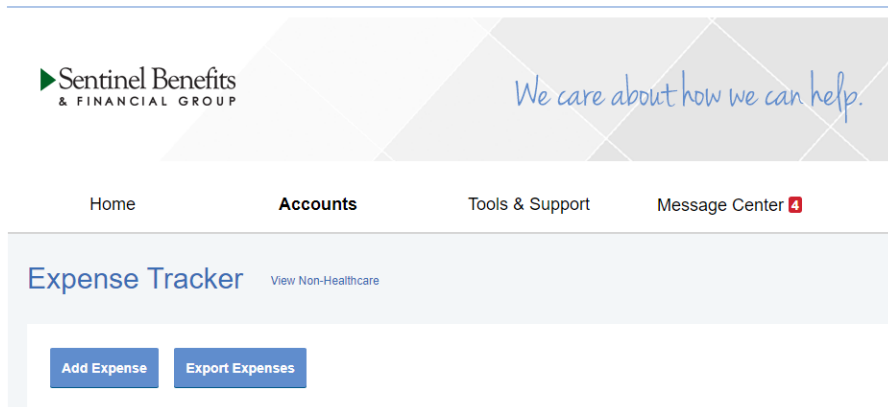

You may view and manage your expense activity all in one place by using the **Expense Tracker**.

The Expense Tracker provides you with an easy-to-use consolidated view of expenses for ongoing management of expenses, claims, and card transactions.

The Expense Tracker will serve as a "virtual shoebox" to store expense information. You can store, track, import, and export expenses and receipts for future reference. You can track your expenses only or create a claim for any unpaid expenses directly from the Expense Tracker page.

## How do I add an expense to the Expense Tracker?

- From the I Want To menu of your online account, select **Expense Tracker**
- Click **Add Expense**
- Complete expense detail fields. You will also be able to upload a copy of the receipt and add notes to your record.

- **Edit** existing expenses by clicking the expense line to expand the claim details. You will be presented with options to add notes, update details of the expense, mark as paid/unpaid, or remove the expense.

The screenshot shows the 'Expense Summary' table with the following data:

Expense Summary	Total Expenses	Total Paid Expenses	Total Unpaid Expenses
	\$1,060.00	\$0.00	\$1,060.00
<b>Total Eligible to Submit:</b>	<b>\$60.00</b>		

Below the summary is a 'Filter By' section with 'Reset Filters' and a date filter 'From 1/1/2015'. The main table lists expenses with columns for DATE, EXPENSE, RECIPIENT/PATIENT, MERCHANT/PROVIDER, SUBMITTED AMOUNT, and STATUS. A detailed view for a dental expense on 7/4/2015 is shown, including description, source, amount, and payable amount. Action buttons like 'Upload Receipt(s)', 'Add Expense Note', 'Mark as Paid', 'Remove Expense', and 'Update Expense' are visible.

DATE	EXPENSE	RECIPIENT/PATIENT	MERCHANT/PROVIDER	SUBMITTED AMOUNT	STATUS
7/4/2015	Dental	HSA Test	Dr. Smith	\$60.00	Unpaid
7/1/2015	Medical	Karen Karen	Dr. Who	\$1,000.00	Unpaid

- **Export** expenses to Excel by clicking the Export Expenses button.

## Can I request payment for an expense from the Expense Tracker?

You may process payment directly from the Expense Tracker. Simply click the Pay button to the right of the expense and you will be presented with eligible payment options. When you click Pay, the claim details from the expense will pre-populate and you can review and edit details as needed. Be sure you have attached required supporting documentation to ensure your claim is processed without delays. Please review [Submitting An Online Claim](#) to be sure you have what is required for your claim type.

**\*\*Important Note\*\*** - Creating an expense in the Expense Tracker does **NOT** initiate a claim for reimbursement. Be sure to click the **Pay** button next to your expense if you like to have the expense reimbursed.
